CLEAN RANGE

„Clean“ is at the heart of our new range of formulations.

But what does it mean?

For us it's giving you visible results from skincare that isn't full of questionable ingredients. Following a simple rule, when in doubt, formulate out. As a result we are able to offer you formulas that are safe, non-toxic, and highly effective.

All "Cosmonde Clean Range" formulas were developed to deliver visible results using the best natural ingredients and most efficient, advanced active ingredients from the raw material experts.

For softer, brighter, and clearer skin without questionable ingredients.

Our products are created to be light-weight, non-sticky or greasy, and easy to use, enhanced with natural, refreshing scents and pleasurable textures. Our promise is softer, brighter and clearer skin.

CREATED WITH natural ingredients, plant-based, cold-pressed oils, natural essential oils, many certified organic ingredients, mild and gentle surfactants and highly effective active ingredients.

CREATED WITHOUT Parabens, silicones, PEGs, sulfates, petrolatum, microplastics and nanoparticles, animal by-products and synthetic fragrance or artificial dyes.

CLEAN RANGE

Introducing our new 5 step skin routine

Our clean range offers 6 carefully selected and developed products for your perfect skin ritual. Starting with gentle cleanse, then continue with refreshing & balancing toner, followed by brightening serum and our super light creme-gel moisturizer, all to be finished with primer of your choice - either mattifying for skin prone to shine and acne /or brightening for thoroughly luminous look.

GEL - CREME MOISTURIZER

JELLY CLEANSER
REFRESHING & BALANCING TONER
BRIGHTENING SERUM
MOISTURIZING GEL-CREME
MATTIFYING & ILLUMINATING PRIMER

Our super moisturising gel-cream contains combination of hydrating active ingredients which intensely moisturize your skin and keeps it hydrated throughout the day, looking plump and dewy. Thanks to Iris root extract and silica powders it has also smoothing action, refines the skin texture, and minimize pores while reviving the natural radiance of the complexion. This gel-cream contains also Vitamin E which contributes to protect the skin from oxidative stress and to fight against premature aging. The anti-aging properties are further enhanced by use of different types of algae.

„Durably moisturized skin, which finds its softness and bounce.“

BENEFITS

- Restores complexion to appear more vibrant and firm.
- Improves and maintains hydration on skin's surface > our super moisturizer hydrates thanks to combination of several hydrating ingredients like glycerin, allantoin, aloe leaf juice, sodium hyaluronate and panthenol
- Additionally emulsifier Olivem 1000 provides also deep moisturizing effect.
- Anti-aging properties are delivered by addition of brown algae Kalpariane and active ingredient Algaktiv RestoreSKN.
- Reduces the appearance of pore size and improves skin texture thanks to extract from Iris Root.

ACTIVE INGREDIENTS

- **Algaktiv® RestoreSKN™** - acts as an anti-aging agent, repairing agent and skin matrix reconstructing agent. ALGAKTIV® uses its molecular knowledge about microalgae and its proprietary biotechnological tools to build up a singular and natural blend of green and brown microalgaderived actives with unmatched characteristics called RestoreSKN™, which actively promotes the production of collagen, elastin and the skin intrinsic growth factors to rejuvenate and restructure aging skin.
- **Kalpariane** – brown algae from Bretagne region, has anti-aging properties.
- **Cytobiol™ Iris A2** - a synergistic blend of Iris, Zinc, and Vitamin A. The iris extract provides moisturizing, soothing, astringent and anti-inflammatory properties. Whereas, vitamin A displays sebo-regulating and skin regulating properties. The zinc salt is essential for healthy skin. It reduces bacteria-colonized pores by 20% and skin shine and it has been proven to shrink pore size. Improves skin texture, creates a matte finish and fights existing blemishes.
- **Evermat** - acts as an astringent, purifying, sebo-regulating and skin conditioning agent. It reduces pore size & shine and refines the skin grain. It is a plant extract of enantia chlorantha containing protoberberines, associated with oleonic acid. It controls the sebum flux acting on the number of sebocytes but also on the level of 5- α reductase.

- **Valvance™ Touch 210** = "the nude skin enhancer" provides a dry touch, faster absorption and reduced stickiness, anti-shine and silky touch.
- **Coconut Alkanes** - it is a light, oily liquid that works as an emollient and gives a smooth skin feel.
- **Olivem 1000 - PEG-free** - self-emulsifying multifunctional ingredient. It is a complex combination of fatty acids, chemically similar to the lipidic composition of the skin surface. As the sole emulsifier, Olivem® 1000 provides a deep moisturizing effect with excellent spreadability and no soapy effect.
- **Glycerin** - a humectant, a type of moisturizing agent that pulls water into the outer layer of your skin from deeper levels of your skin and the air.
- **Hyaluronic acid** - keeps skin hydrated, looking plump and dewy.
- **Squalane** - used in skincare products as a highly-effective emollient and natural antioxidant.
- **Lemon Juice** - brightens complexion

ILLUMINATING PRIMER

JELLY CLEANSER
REFRESHING & BALANCING TONER
BRIGHTENING SERUM
MOISTURIZING GEL-CREME
MATTIFYING & ILLUMINATING PRIMER

Featherweight and silicone-free primer which plumps up and illuminates your skin. Formulated with a base of cold-pressed powerful plant extracts and juices which helps blur imperfections and create soft, silky finish and healthy natural glow. It will not only help your make-up to go on smooth and stay longer, but it will care for your skin too.

„The nude skin enhancer for naturally radiant skin.“

BENEFITS

- Perfect base for all foundations & ideal for all skin types.
- Illuminating pigments for natural glow.
- Enriched with lemon juice for brightening effect.
- Hydrates skin and controls oil with squalane & glycerin.
- Blurs the appearance of lines & wrinkles.
- Corrects hyperpigmentation and lightens the skin tone.

ACTIVE INGREDIENTS

- **Illuminating pigments** (Timiron Supersheen & Timiron Splendid Gold) - our formulation is wrapped in irresistibly fine platelets that lend enticing luminosity and gives your skin the satiny sensation with natural-looking glow.
- **Detoxi-look** – a specific plant complex obtained by cold co-pressing of Helichrysum italicum and Bellis perennis. Helichrysum italicum extract, also known as the Immortal or Everlasting Flower gives primer anti-aging properties while Bellis perennis serves as conditioning agent and used vegetable glycerin provides moisture, instantly refreshing the complexion. It also brightens by correcting hyperpigmentation and lightening skin tone.
- **Plantafluid ®Green Tea Extract** – helps diminish signs of aging. Soothes skin and decrease appearance of dirt, bacteria and other pollutants on the skin surface. As it naturally contains a dose of caffeine, it helps reduce puffiness and appearance of dark circles. All Plantafluid ® extracts are unadulterated extracts from cosmetically effective parts of plants and they are manufactured using a particularly gentle cold extraction process.
- **Lemon Juice** - derived from the fruit of Citrus Medica Limonum is rich in vitamins and phytonutrients. Lemon juice also possesses anti-aging and antioxidant benefits and furthermore improves skin tone and texture. In our formulation it replaces part of the water content to give you more nutrients in one drop of the product.
- **Natural silica powder** (Valvance™ Touch 210) – gives your skin soft matt finish and silky touch. Ensures fast absorption and anti-shine effect.
- **Zea Mays Starch** (PURITY® 21C PURE) acts as an aesthetic modifier, which serve also as an effective oil absorber.

- Enriched with lemon juice for brightening effect.

ACTIVE INGREDIENTS

- **Illuminating pigments** (Timiron Supersheen & Timiron Splendid Gold) - our formulation is wrapped in irresistibly fine platelets that lend enticing luminosity and gives your skin the satiny sensation with natural-looking glow.
- **Plantafluid ®Green Tea Extract** – helps diminish signs of aging. Soothes skin and decrease appearance of dirt, bacteria and other pollutants on the skin surface. As it naturally contains a dose of caffeine, it helps reduce puffiness and appearance of dark circles. All Plantafluid ® extracts are unadulterated extracts from cosmetically effective parts of plants and they are manufactured using a particularly gentle cold extraction process.
- **Lemon Juice** - derived from the fruit of Citrus Medica Limonum is rich in vitamins and phytonutrients. Lemon juice also possesses anti-aging and antioxidant benefits and furthermore improves skin tone and texture. In our formulation it replaces part of the water content to give you more nutrients in one drop of the product.
- **Natural silica powder** (Valvance™ Touch 210) – gives your skin soft matt finish and silky touch. Ensures fast absorption and anti-shine effect.
- **Zea Mays Starch** (PURITY® 21C PURE) acts as an aesthetic modifier, which serve also as an effective oil absorber.

Our clean mattifying primer plumps, tightens pores and refine the skin texture by absorbing excess sebum and creating soft cushion-touch feeling on your skin. Enriched with synergistic blend of three active-ingredients - Iris extract, Zinc and Vitamin A, it helps minimize the pores and sooth your skin. This skincare and primer hybrid further contains also powerful ingredients like Evermat and Dub Estoline, which brings that delicate "cocooning" effect providing not only pleasurable film on your skin but also thorough protection against the effects of pollution.

„Minimize pores and maximize make-up.“

BENEFITS

- Minimize pores and refine skin texture.
- Controls excess sebum and controls also skin bacteria in pores.
- Provides moisture.
- Gives your skin soft cushion like feeling.
- Additionally this pleasurable soft film brings also protection against external factors like stress and pollution.
- Best for all skin types.
- Wear as a primer under makeup, or alone.

ACTIVE INGREDIENTS

- **Cytobiol™ Iris A2** - a synergistic blend of Iris, Zinc, and Vitamin A. The iris extract provides moisturizing, soothing, astringent and anti-inflammatory properties. Whereas, vitamin A displays sebum-regulating and skin regulating properties. The zinc salt is essential for healthy skin. It reduces bacteria-colonized pores by 20% and skin shine. It is also an effective anti-aging ingredient as it has been proven to shrink pore size. Improves skin texture, creates a matte finish and fights existing blemishes.
- **DUB ESTOLINE®** ("Bubble of Comfort") - multifunctional emollient derived from Ricinus oil which acts a moisturizer and film former with rich, but not oily texture. The film formed is conceived like a breathing second skin, both functional and pleasurable – it really stands out for the exceptional sensations of softness and comfort that it delivers. Its "cocooning" effect provides also thorough protection against the effects of pollution and other external stress factors that exacerbate the signs of premature aging.
