ABOUT TBA PLASTOVÉ OBALY

BEST QUALITY

Our high quality robust transport and storage crates are designed and manufactured exclusively in Europe. In our modernly equipped factories or at our partners' factories we manufacture our wide product range using computer controlled devices and therefore we are able to carry out any innovations quickly. That's why we can provide you the best quality, low production costs and flexibility. We always use the right type of material for different requirements and purposes considering temperature stability, load capacity, impact resistance, suitability for cleaning equipment and others. TBA Plastové obaly boxes are, of course, suitable for automatic handling.

FLEXIBILITY OF DELIVERY

All orders will be processed quickly and reliably – our processing time is unbeatably short. We focus on direct customer case, we work efficiently and quickly – and of course, our prices are low. We will be happy to help you with shipping of your products and we are able to send you the drafts of our solutions – orders can also be made upon personalised requests. All products are also available in small quantities, from 1 piece.

OUR BENEFITS

TBA Plastové obaly is a reliable supplier for all companies who want to buy logistics equipment for their production, warehouses, workshops and offices easily and with minimal costs. TBA Plastové obaly is a modern, dynamic company engaged in manufacturing plastic packaging for all fields of industry. An excellent choice for all, who prefer value for money. We are building a brand, which is a reliable solution for all professionals.
